A non-refundable registration fee of \$75 U S Monies is needed to enter one or all event(s) on Saturday and/or Sunday. However, if you are registering as a partner in Sunday's two person events, you must list your partner name on your application AND your partner must name you as their partner on their application. No application in the 2 person events will be processed until both partners have applied and paid for registration.

IF YOU ARE A "FIRST TIME" APPLICANT, YOU ARE ENCOURAGED TO SEND ALONG YOUR QUALIFICATIONS! Qualification information should include: the date and place of competition; size and species of wood; times, scores and places won. This information is referenced when the number of applicants in an event exceeds the maximum allowed on each day. This information helps to insure that the best competitors qualify for the event(s). If you do not send qualification information for an event, you will be placed at the bottom of the list. Competitors who place in the top 10 in each event in 2024 are guaranteed entry into the corresponding 2025 event if the application is received on time. The exception to this is the two person Jack & Jill event ON SUNDAY. A guaranteed position in this year's competition is assured only if your partner is the same as in last year's event, and you are both registered by the June 15th deadline.

Upon receipt and acceptance of your application fee, two (2) admission passes will be sent to you at the end of July. An area will be provided for competitor parking, set-up, shade, etc. All contestants staying overnight must obtain a camping permit. **Please check the appropriate box on the application for camping information.**

Rules and Regulations will be available after June 1st upon request. For ANY questions concerning contests, please contact our office and speak to myself or Debi. 315.942.4593. We gladly accept email questions, comments and concerns as well. Good Luck in upcoming contests this summer!!
